

DR-350 Power Max

Gasoline

The more affordable duel applicator

The Ditch Runner designed **DR-350 Power Max** Squeegee-Spray Sealcoat machine continues the reputation established by our diesel version and with the gasoline powered version it has a lower purchase cost. We are welcoming aboard the Vanguard gasoline replacement. With all the attributes of the General this seamless transition to gas power will give the **Power Max** everything it needs to continue the tradition of performance and dependability.

Standard Features:

- EFI 37 HP Vanguard gasoline engine
- 100 Gallon piston material pump
- Hydrostatic rear wheel drive (Both wheels)
- Parking Brake (Both wheels)
- Power Steering
- Hydraulic joystick for positive control
- Low profile engine deck for stability and operator visibility
- 30 Gal water fogging system w/ wash down
